This brochure is intended for summary purposes only. In all cases only the official plan documents control the administration and operation of the plans. Please be aware that some of the benefits listed in the various tables have limitations. See your Summary of Benefits and Coverage (SBC) for more details. This brochure does not constitute a contract of employment nor does it change your employment-at-will status.

Your employer retains the right to modify benefits or premiums during annual contract negotiations to obtain benefits for employees.

These rules and regulations apply to employees of the City of Albuquerque and government entities that have elected to participate in the same insurance plans. There may be differences in eligibility between entities. For example, not all governing bodies of the entities have approved allowing an employee's domestic partner and his/her children to be eligible for insurance coverage. Entities also differ in the employer contribution towards insurance premiums. Please check with your employer's Benefits Office for clarification. Employees with family members working for any participating entity may not double cover any family member on the same group insurance plan.

Who is Eligible

- Regular employees (including those on probation)
- ➤ Elected officials
- ➤ Legal spouse of an employee
- ➤ Domestic Partner of an employee*
- ➤ Children who are under age 26 AND meet at least one of the following criteria:
 - Natural child of the employee, spouse or domestic partner
 - Placed in the employee's home and in process of being adopted by the employee, spouse or domestic partner
 - Adopted by the employee, spouse or domestic partner
 - Court order that requires the employee, spouse or domestic partner provide health insurance coverage for the child
 - Court document that shows the employee, spouse or domestic partner has full, permanent custody of the child
 - Children over age 26 may **continue** participating in the group insurance plans if they are physically or mentally handicapped and are not eligible for any other plan. This continuation is subject to normal enrollment guidelines and documentation approved by the insurance carrier.
- * A domestic partner is defined as a person of the same or opposite sex who lives with the employee in a long-term relationship of indefinite duration and has not been married to anyone during the previous 12 months. There must be an exclusive mutual commitment similar to that of marriage, in which the partners agree to be financially responsible for each other's welfare and share financial obligations. These benefits are also available to the domestic partner's children provided that the child meets the definition of eligibility stated above. Note the criteria and required documents in the *Changing Benefit Elections* section.

Changing Benefit Elections and Qualifying Life Events

Many of the rules for enrollment and eligibility are made by the Internal Revenue Service because they allow your salary to be reduced by the premiums you pay before taxes are calculated (Internal Revenue Code Section 125.) Only medical, dental, vision and flexible spending account benefits listed on the previous page are deducted on a pre-tax basis. Other benefit options are post-tax. Important rules to know are:

Once you have made an election during your initial enrollment period of 31 days from your hire date then you are **locked into that decision until the next open enrollment.**

Exceptions to this are qualifying life events. Please note: Qualifying Life Events do not allow you to change your Presbyterian Gym Membership election. The only time to elect participation, or disenrollment, is during open enrollment.

You must provide documentation of the Life Event and log into PeopleSoft Employee Self Service (ESS) to enroll within **31 days of the Life Event.** Documents should be scanned and you will be prompted to upload them during your Life Event entry in ESS. Qualifying Life Events and acceptable documents are:

- ➤ Marriage Marriage certificate
- ➤ Domestic Partnership meeting eligibility requirements Affidavit* and three proofs of financial interdependence
- ➤ Termination of Domestic Partnership agreement Affidavit of Termination of Domestic Partnership form must be complete.
- ➤ **Divorce** Court issued, date stamped, divorce decree (Ex-spouses are ineligible for coverage after the divorce except through COBRA. Divorce not reported timely may result in full responsibility of claims and loss of COBRA rights.)
- ➤ Birth Hospital certificate or state issued birth certificate
- ➤ Death Death certificate
- ➤ Change in employment status affecting benefits eligibility (for you or your spouse) Letter/form from employer that is notification of the job change, coverage ending or new eligibility period of your Spouse/Domestic Partner's employer
- ➤ Open Enrollment If you are adding a dependent for which you have not yet established proof of your relationship then you must do so at this time.
- ➤ Involuntary loss of coverage Official notification of involuntary loss
- ➤ Dependent child losing eligibility Official notification of loss
- ➤ Dependent change of residence that affects benefits eligibility Documentation of the change or a letter explaining the change
- ➤ Dental Insurance Only **dependent child between the ages of 2 and 3** may be added to a plan in which you are already enrolled you must submit a written request
- * The **Affidavit of Domestic Partnership** is a City form and legal document in which both the employee and the domestic partner swear that they meet the following criteria:
 - ➤ Both are unmarried and have been for at least 12 months
 - ➤ Reside in the same residence for at least 12 months and intend to do so indefinitely
 - ➤ Meet the age requirements for marriage in the state of New Mexico
 - ➤ Are not related by blood to the degree prohibited in a legal marriage in the State of New Mexico
 - ➤ Are financially responsible for each other's welfare and share financial obligations

In addition to the notarized affidavit, three of the following documents are also required.

- ➤ Joint lease/mortgage or ownership of property
- ➤ Jointly owned motor vehicle, bank or credit account (only one qualifies)
- ➤ Domestic partner named as beneficiary of the employee's life insurance
- > Domestic partner named as beneficiary of the employee's retirement benefits
- ➤ Domestic partner named as primary beneficiary in the employee's will
- ➤ Domestic partner assigned as power of attorney or legal designee by the employee
- ➤ Both names on a utility bill
- ➤ Both names on an investment account
- Adding a Domestic Partner can be done through Employee Self Service (ESS.) The Affidavit of Domestic Partnership can be found on the City's website in the forms section of HR>Employee Benefits.

The Federal Government does not recognize domestic partners as qualified dependents and therefore the premium paid for their coverage cannot be pre-tax. In addition, the employee must pay tax on the portion of the premium paid by the city for the domestic partner and his/her covered children. Employees wanting to change benefit elections involving a domestic partner must adhere to the same rules regarding qualifying events.

Delayed Enrollment-Missing the initial enrollment period, 31-day qualifying event period or the annual open enrollment period, may result in **delayed enrollment**, a delay in notification of loss of coverage and **paying for coverage no longer provided (such as for an ex-spouse.)** Alternatively, delayed entry may result in double deductions for premiums due for backdated coverage. The effective date will depend on the event.

Name/Address Changes: It is important to keep your employer and the insurance plans informed when you experience a name and/or address change to prevent a disruption of service and receipt of important policy information. Please make updates yourself through PeopleSoft Employee Self Service. An employee's name change requires uploading a Social Security Card with the new name on it.

Effective Date of Coverage, Changes and/or Terminations

New Employees – Coverage begins on your hire date which is the first day of the pay period. Pay periods begin on Saturday and are two weeks long. New Employee Orientation (NEO) is usually held on Monday following the beginning of a pay period. You have 31 days from your hire date to complete the online enrollment process and upload verification of dependent eligibility.

- ➤ Qualifying Life Events Coverage begins on the first day of the pay period following your event date. Three exceptions to this are for the birth of a child, marriage and divorce. The coverage begins on the date of birth if documentation and online entry are completed within the 31-day enrollment period. Delaying the entry of a Life Event may result in extra deductions for premiums due. Losing or gaining eligibility for Medicaid allows a 60-day enrollment period.
 - An ex-spouse or domestic partner is not eligible to continue participation in the insurance program, except through COBRA (see the next page.) Therefore, when the divorce decree is uploaded into PeopleSoft and the Divorce Life Event is entered, the end of coverage will be back dated to the day following the court stamped date on the decree.
- ➤ Reinstatement An employee who is terminated from the City and subsequently reinstated is eligible to re-enroll in benefits through ESS by selecting the Life Event "I had a Life Status Change Not Listed Above." The required document is the letter of reinstatement. The effective date of coverage will be the first day of the pay period following the reinstatement.
- ➤ Open Enrollment This is a three week (or longer) period established annually (usually in May/ June) that allows all benefits eligible employees to make changes to their benefit elections without having experienced a qualifying life status change. Annual premium changes also occur at this time and will automatically be updated on your second paycheck in July without you having to make a new election.

Benefit changes elected during open enrollment are effective on July 1st or if you are cancelling coverage then the last day of coverage will be June 30th. It is the only time to make benefit changes without a Qualifying Life Event.

Effective 7/1/2016 Presbyterian Health Plan is offering the option of a gym membership for no additional premium. The only time to elect participation, or disenrollment, is during open enrollment.

Termination of Coverage

Insurance ends at the end of the pay period in which the event occurs. Exceptions to this are

Retirees'-coverage stops at the end of the month prior to the PERA retirement date

Dependents reaching the age limit lose coverage at the end of the month after their 26th birthday **Ex-spouses** lose coverage the day after the divorce is final

Domestic Partners lose coverage the end of the pay period in which the termination notice is signed.

Double Coverage

Neither you, nor your spouse, domestic partner nor dependent child who works for the City, or one of our participating entities (i.e. Sandoval County,) may be double covered on medical, dental, vision or voluntary term life. The only exception to this is when you or your spouse/domestic partner is retiring and the only alternative to double coverage is a gap in coverage. Double coverage can last no longer than two weeks with proper documentation.

Insurance Premium and Benefit Plan Participation Payments

The city pays a substantial portion of medical, dental and vision premiums regardless of the coverage options you elect. Your benefit payments are deducted for coverage during the same two week period for which you are paid. Your earnings are reduced by your portion of the medical, dental and vision insurance premiums before Federal, State and FICA taxes are calculated, thereby saving you money.

Leave Without Pay/FMLA/Military Leave

Employees are responsible for paying their Group Health Premiums regardless of receiving a paycheck. This means if your employment status is "active" and you do not receive a paycheck then you will be responsible for paying the employee AND the employer portion of your medical, dental, vision premiums, and also your current deduction(s) for other supplemental benefits in that period. You will be responsible for making payment arrangements through the Insurance and Benefits Office (contact information is provided in the back of this booklet.) Payment arrangements depend on the situation and will be looked at on an individual basis. Failure to either make payment arrangements or to make timely payments will result in cancellation of benefits back to the end of the pay period for which the premiums were paid.

NOTE: You are exempt from having to pay the employer's portion if you are on military leave or approved leave under The Family Medical Leave Act.

COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) is the federal law that allows the employer to offer continued participation in medical, dental, and/or vision group insurance coverage if your employment terminates (18 months maximum) or your covered dependent loses eligibility (36 months maximum.) The Insurance & Benefits Office monitors when dependent children are approaching the end of eligibility on the last day of the month in which they turn 26 and will automatically cancel their coverage and have the notification of COBRA options mailed to them. Domestic partners of employees are eligible to continue coverage under COBRA when their eligibility ends under the active employee plans. Electing to continue coverage must be made within 60 days of the date eligibility was lost on the active employee plans or from the notification of the loss of coverage. Therefore, continued coverage will be offered to children losing eligibility or ex-spouses of employees whenever you submit documentation of the qualifying event. However, all the months since the coverage ended must be paid in order to reinstate coverage. The cost of the coverage is 102% of the full monthly premium. You will receive written notification of your rights and responsibilities after you upload documentation into PeopleSoft when you or your dependent experience an event that qualifies. Additional information is available in the Insurance and Benefits Office and on the City's website.

Understanding How Your Cost Sharing Works

A PRESBYTERIAN
Health Plan, Inc.

You don't need to be surprised by your costs when you receive medical care. Taking time to read definitions and examples can help you understand your costs. We also recommend you watch a short video on cost sharing at www.phs.org/CABQ and log in to myPRES to use our Treatment Cost Calculator. Please call your dedicated customer service team with questions. They can explain the examples below to you.

- Out-of-Pocket Maximum: The maximum dollar amount that you will pay in a plan year for covered services. All out-of-pocket costs for covered services go toward your maximum such as copayments, coinsurance and deductibles. After you have met the out-of-pocket maximum, the plan will pay 100% of covered services.
- Deductible: The amount that you pay before your plan pays. The deductible does not apply to all services.
- **Coinsurance:** The percentage amount of a covered healthcare service that is partially paid by you and partially paid by the health plan.
- Copayment (Copay): The fixed dollar amount you are required to pay for a healthcare service.

COST SHARING EXAMPLE 1 – Outpatient Surgery Using an In-Network Provider

Applies to all options – Active, Family and Independent.

	,	<u>'</u>
Total Billed Charges	\$2,500	Total amount for service (without plan discount).
Allowed Amount	\$2,000	Amount plan and provider agreed on per contract.
Deductible Owed	\$100	This would be \$0 after the individual or family deductible is met. Deductible does not apply to all services.
Amount Owed After Deductible	\$1,900	Allowed amount minus deductible owed.
Member Coinsurance	\$380	Per benefit grid, member pays 20% up to \$500. If copay, this would be a flat dollar amount.
Plan Pays	\$1,520	Plan pays remaining 80%. If copay, plan pays remaining balance after copay.
Total Amount Member Pays	\$480	Deductible owed + coinsurance or copay.

COST SHARING EXAMPLE 2 – Outpatient Surgery Using an Out-of-Network Provider

Cost sharing applies to Independent Plan only – the Active/Family Options only cover out-of-network services in emergencies.

9			
Total Billed Charges	\$2,500	Total amount for service (without plan discount).	
Allowed Amount	\$2,000	Pre-determined "reasonable and customary" amount.	
Deductible Owed	\$500	This would be \$0 after the individual or family deductible is met. Deductible does not apply to all services.	
Amount Owed After Deductible	\$1,500	Allowed amount minus deductible owed.	
Member Coinsurance	\$600	Per benefit grid, member pays 40%. If copay, this would be a flat dollar amount.	
Plan Pays	\$900	Plan pays remaining 60%. If copay, plan pays remaining balance after copay.	
Unpaid Amount	\$500	Difference between total charged and total allowed.	
Total Amount Member Pays	\$1,100 - up to \$1,600	Deductible owed + coinsurance or copay + the provider may bill you for the \$500 difference because they don't have a health plan contract	

Money-saving tip for those who select the Independent Option: When using MultiPlan for your out-of-state services, they will be applied at the in-network benefit level. Find out-of-state providers at www.multiplan.com/Presbyterian.

Plan Benefits

The dental plan option provides comprehensive dental coverage for enrolled members. On the next pages you will find a general description of the options, followed by a Benefits-At-A-Glance chart comparing key benefits of the plan.

In choosing a dental plan it is important to consider the types of services covered and the dental providers available to you. Benefits are based on four main classifications of services:

- **Diagnostic and Preventive** usually includes: cleanings, exams, X-rays, sealants and fluoride treatments
- Basic usually includes: fillings, root canals, periodontics, extractions, oral surgery and general anesthesia
- Major usually includes: crowns, bridges and dentures
- Orthodontics usually includes: diagnostic and retention treatment

Keep in mind this information is a summary only, and you should refer to the plan's official Summary Plan Description for full details, including all limitations and exclusions.

Cost of Coverage

No matter which plan you choose, your employer will pay a portion of the premium. Your portion of the cost is taken on a per pay period basis. Your cost depends on the plan you choose as well as what family members you enroll.

Pre-Treatment Estimates, Be in the Know

Are you anticipating a potential costly procedure such as a crown or root canal? Did you know that you have an option to have a pretreatment estimate prior to scheduling that service so that you can plan both financially and get the most out of your plan?

This is an advance estimate of the benefits payable before dental services are received. You should know your out-of-pocket costs before simply saying "go ahead" with the procedure (s).

How much of your benefit maximum is left in the year? Have you met your deductible? Is it truly a covered procedure? These are questions that can be answered before you get that potential surprise bill! This is not required or an additional expense to your services. If not an emergency, why not put yourself at some ease by knowing your expenses?

Talk with your dentist and ask him/her to submit a pretreatment estimate. Delta Dental will respond in writing not only to your provider but also to you as the member. Be a wise consumer and avoid potential additional expenses.

Two Networks Means More Choice Delta Dental PPOSM Point of Service

The City of Albuquerque employee dental plan offers one plan design featuring two provider networks (both "in-network"):

Delta Dental PPO^{5M}

Delta Dental PPO dentists have agreed to the deepest discounts. Selecting a dentist that participates in this network will result in a higher level of benefits and the lowest out-of-pocket cost. For example, Diagnostic and Preventive Services are covered at 100% when selecting a Delta Dental PPO dentist.

The dollar amount resulting from the patient co-insurance percentage will be less when one of these dentists is selected.

Delta Dental Premier®

The Delta Dental Premier network provides enrollees with the most extensive access to providers. Because the Delta Dental PPO network does not include specialty dentists in every category, and because some enrollees already have established relationships with their dentists, Delta Dental Premier dentists may also be selected for any service.

Refer to the example below for an idea of the cost associated with each network.

\$\$ Savings Illustration \$\$

	Delta Dental PPO Provider	Delta Dental Premier Provider
Dentist Submitted Charge	\$1,177	\$1,177
Delta Dental Maximum Approved Fee (network-specific)	\$810	\$1,026
You Pay (Co-insurance for Basic Service)	50% of \$810 \$405	50% of \$1,026 \$513

Example assumes a single procedure for a Crown-Full Cast High Noble Metal (CDT Code 2790) when selecting a New Mexico general dentist. Submitted costs and Maximum Approved Fees vary by dentist, location, provider network, and date of service. Amounts shown are illustrative only.

Remember: The highest level of benefits, lowest out-of-pocket cost, and important member protections apply when services are received in-network. For a listing of participating providers, visit our website, **www.deltadentalnm.com**

The benefit levels shown are subject to the applicable Delta Dental Maximum Approved Fees, which are less for Delta Dental PPO dentists than Delta Dental Premier dentists. Because the cost of dental care is less when treatment is received from a Delta Dental PPO dentist, receiving services from these dentists, whenever possible, will result in lower out-of-pocket costs.

Out-of-pocket costs may be significantly higher if services are received from a dentist who does not participate in one of Delta Dental's provider networks. Maximum Approved Fees are greatly reduced for out-of-network services, and non-participating dentists may balance patients up to the full amount of their submitted charges.

Enrolled persons are entitled to a PRE-TREATMENT ESTIMATE OF BENEFITS anytime more costly procedures are anticipated. When requested by a dental provider, an advance estimate of benefits payable can be provided by Delta Dental before dental care services are received. Pre-treatment estimate is strongly recommended and there is no charge for this service.

^{1.} People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or topical fluoride treatment. The patient should talk with his or her dentist about treatment.

Flexible Spending Accounts

You may choose to participate in one or both the flexible spending accounts:

- Medical Reimbursement Account*
- Dependent Care Account

With the **Medical Reimbursement Account** you can save 15%-40% on your out-of-pocket expenses that are not covered by the medical, dental or vision plans. Simply calculate your estimated expenses for the year and have that amount set aside in a Medical Reimbursement Account. The money is taken from your check before taxes, so you don't pay most federal, state, Social Security and Medicare taxes on that amount.

The **Dependent Care Account** allows you to set aside tax-free dollars for eligible day care expenses for your dependents. A Dependent Care Account is a great way to defer child care costs. Someone in a 15% tax bracket with the maximum \$5,000 election would save \$1,132 in one year using BASIC Flex.

Dependent Eligibility:

- You and/or your spouse must be employed or actively seeking employment or attending school full time.
- Dependent care expenses paid during a sick leave, holiday or vacation are not eligible.
- Child must be a dependent under 13 years of age and be in your custodial care more than 50% of the calendar year. If your child turns 13 during the plan year, expenses are no longer eligible for reimbursement.
- A spouse or dependent that is incapable of self-care and regularly spends at least eight hours per day in your home (i.e. an invalid parent).

Service Requirements:

- Provider cannot be a minor child or dependent for income tax purposes (i.e. an older child).
- Service provider must claim payments are income and comply with state regulations.
- Services must be for the physical care of the child, not for education, meals, etc.
- Overnight camps are not eligible.
- Expenses paid for Pre-K are eligible but kindergarten is not.

How the Accounts Work

A debit card will be issued to you if you sign up for the Flexible Spending Account. The debit card may be used to pay for eligible expenses. If you forget to use your debit card or if a vendor does not accept debit cards as a method of payment, you may pay for your expense out of pocket and submit a claim for reimbursement. BASIC will reimburse you via check or direct deposit (if you have signed up for direct deposit).

Plan Limits:

- Medical Reimbursement Account: Minimum is \$260 (\$10 per pay check).
 Maximum is \$2,550 per eligible employee per year. If you and your spouse are employed by the City each can contribute \$2,550.
- Dependent Care Account: Minimum is \$260 (\$10 per pay check). Maximum is \$5,000 (married filing jointly or single) or \$2,500 (married filing separately) each year.

The US Treasury Department has modified its Flexible Spending Account (FSA) "use-it-or-lose-it" provision to allow carryover of FSA funds. This provision does not apply to Dependent Care Account funds.

This is great news for you, because:

- You can carryover up to \$500 of your unused Medical Reimbursement Account funds at the end of the plan year.
- This eliminates the risk of losing Medical Reimbursement Account funds if you elect \$500 or less.

If you chose not to participate in the past because of the "use-it-or-lose-it" mandate, now is the time to take another look. The benefit will automatically take effect on your account should you decide to participate in the Medical Reimbursement Account.

You can find more information at: http://eweb.cabq.gov/

Living life the way you want to.

That's what independence and planning is all about.

Thanks to your employer, you and your eligible family members now have the opportunity to apply for long term care insurance at discounted rates. And, during the initial open enrollment period, eligible actively at work employees¹ can benefit by having to answer fewer health questions.

Important new benefit now available – Long term care insurance from John Hancock

Long term care has touched many of our lives. Perhaps you have a family member who has spent time in a nursing home. Or maybe you know someone who needs the regular assistance of a home health aide. When you have seen a long term care situation up close, you know the many issues that are involved.

Many people mistakenly believe they are already covered.

Long term care insurance pays for personal assistance with activities such as eating, bathing, using the toilet, and moving around — or for supervision due to a cognitive impairment. This assistance is typically not covered by health or long term disability insurance. As for government programs, Medicaid is designed to cover only those with limited resources (i.e. people whose assets are below state-required levels).

Protect your retirement

You save and invest to reach many goals. A comfortable retirement, travel, or even a second home. By making a John Hancock long term care insurance policy part of your financial retirement plan, you're taking an important step toward helping to meet and protect the goals you have set out over the course of a lifetime.

Long term care insurance can help protect your investments so you won't have to spend down or withdraw assets to pay for the high cost of long term care expenses.

Consider the facts:

40% of people who need long term care are working adults between ages of 18 and 64.² On a national average, one year in a nursing home or 24-hour home care can cost more than \$66,000 today.³

Long term care insurance important at any age

You are never too young to start planning for the future. Although several people believe long term care situations result from the effects of aging, many are caused by an unforeseen accident or illness. That is why it is important to plan for long term care now, to ensure you have coverage in place if you ever need care.

Long term care insurance premiums are based on age and health. If you are young and healthy, when you apply, your chances of qualifying for the coverage and receiving lower premiums, is better than if you wait.
